

## Volunteering for us

If you have experienced preterm birth and are interested in joining a team of volunteers at the Liverpool Women's Hospital, Fetal Medicine Unit then please get in touch with our Volunteer Manager, Gina Barr.

Ring Gina Barr on 0151 702 4368 for an informal chat or e-mail [volunteers@lwh.nhs.uk](mailto:volunteers@lwh.nhs.uk)

## Fetal Medicine Unit

### Volunteers

The Fetal Medicine team are available to answer questions about your treatment and any concerns that you might have.

In addition, if you would also like to speak to another parent who has experience of a preterm birth we have a group of volunteers who are available during clinic times (Thursday 1.30 – 4.30 pm).

### About us

The Harris-Wellbeing Preterm Birth Centre is dedicated to looking into why babies are born prematurely and developing personalised treatments for mums.

Please visit and share our Facebook page

### Meet our Volunteer Joanne

Joanne started volunteering at the Liverpool Women's Hospital three years ago after her last pregnancy.

Joanne has experienced three premature births and understands the anxieties and the questions that you may have at this difficult time.

Joanne is available to speak to you and your family if required even if it's just for a quick chat before or after your appointment.
